

INFORMATION NEEDED WHEN A DEATH OCCURS

When a death occurs, I will come to your home to make the necessary arrangements, transfer your loved one's remains to the crematorium, secure the medical certificate of death, register the death, issue the cremation permit & Provincial Death Certificate, provide a basic cremation container for the cremation & finally deliver the cremated remains (ashes) back to you in a basic white box, together with the Death Certificate. The process will be completed within a week.
